

My Beating Heart

Hale

Running out of inspiration
Falling into desperation
Can't seem to put to words
All the things I wanna say to you
As much as I would like to
Make you come down, make you come down

'Cause I know that it's not easy
But it's gonna be okay
Yeah it's gonna be okay because...

We'll go
Dancing through the night
To the sound of your beating heart
Beating heart

Whoa
We'll go out out of sight
Listen to my beating heart
Speeding just for you
Oh, oh, oh

I'm tired of these false connections
Wondering of my destination
Seems I'm running out of time
To go around these places that I wish to go
I never really had a choice, oh oh

Maybe now it's time to go
And you'll take me away
(But it's gonna be okay)
It's gonna be okay
(Yeah there's [?])
Because...

We'll go
Dancing through the night
To the sound of your beating heart
Beating heart

Whoa
We'll go out out of sight
Listen to my beating heart
Speeding just for you
Oh, oh, oh

Tear your walls down
Tear your walls down
Tear your walls

We'll go
Dancing through the night
To the sound of your beating heart
Beating heart

Whoa
We'll go out out of sight

Listen to my beating heart
Speeding just for you

Dancing through the night
To the sound of your beating heart
Beating heart

Whoa
We'll go out out of sight
Listen to my beating heart
Speeding just for you
Oh, oh, oh
Whoa
