

Daisy Girls

Haley Bonar

I want some candy

I want a tall glass of water

I want something

Haven't I been good enough?

No, they don't see us

Quit being so paranoid

You just want me cuz

You know my hands are tied

Daisy girls

Own the world

Maybe some bright morning

I'll comb my hair

And won't want nothing

When I get to ____

Summer days are breezey

I'll think of sinking ships

Water is so steady

I don't even think of him

Daisy girls

Own the world

Own the world

Own the world
