

For What It's Worth

Haley Reinhart

There's something happening here
What it is ain't exactly clear
There's a man with a gun over there
Telling me I got to beware

I think it's time we stop
Children, what's that sound?
Everybody look - what's going down?

There's battle lines being drawn
Nobody's right if everybody's wrong
Young people speaking their minds
Catching so much resistance from behind

I think it's time we stop
Children, what's that sound?
Everybody look - what's going down?

What a field-day for the heat
A thousand people in the street
Singing songs and carrying signs
Mostly say, "hooray for our side"

Think it's time we stop
Hey, what's that sound?
Everybody look - what's going down?

Paranoia strikes deep
Into your life it will creep
It starts when you're always afraid
You step out of line, the men come and take you away

Time we stop
Hey, what's that sound?
Everybody look - what's going down?

You better stop
Hey, what's that sound?
Everybody look - what's going down?

You better stop
Hey, what's that sound?
Everybody look - what's going down?

You better stop
Hey, what's that sound?
Everybody look - what's going down?

What's that sound?

What's going down?

For what it's worth

What's that sound?

Going down

For what it's worth

What's that sound?

Going down

For what it's worth

What's that sound?

Going down

For what it's worth

What's that sound?
