

# Last Kiss Goodbye

Haley Reinhart

Last kiss goodbye, until next time  
Last kiss goodbye, my love  
Last kiss goodbye, until next time  
Last kiss goodbye, my love

Maybe that's why they call it falling  
All I know is that when I look in your longing eyes  
My whole world flips upside down  
Babe, it's hard to describe  
Why my heart beats so much faster  
whenever you're around me  
It makes me sigh, oh

Last kiss goodbye, until next time  
Last kiss goodbye, my love  
Last kiss goodbye, until next time  
Last kiss goodbye, my love

Last kiss goodbye, until next time  
Last kiss goodbye, my love  
Last kiss goodbye, until next time  
Last kiss goodbye, my love

(Last kiss goodbye, until next time)  
(Last kiss goodbye, my love)  
(Last kiss goodbye, until next time)  
(Last kiss goodbye, my love)
