

Evidence

Half Japanese

Pinch me. Pinch me real hard.
I've got to know if this is a dream.
Is it a dream or did you really kiss me?

I need evidence to prove that I'm awake.
I need evidence. Let me kiss you.
I need evidence. Let me touch you.
I need evidence. Kiss me real hard.

Hold me real tight.
No it can't be dream.
Not with proof like that.
