

Face Rake

Half Japanese

I used to have fun but now I don't.
The things I did now I wont.
You can offer but I wont take.
Since my baby learned how to Face Rake.

My happy home has gone to hell.
I'm a broken man, a wasted shell.
She took my heart and she threw it in the lake.
My baby learned how to Face Rake.

Mercy me for goodness sake.
My baby learned how to Face Rake.
