

## Seabright

Halou

Sunlight across my bed  
Beckons me to rise  
Coffee on my front step  
And I stretch and I yawn  
From West Side to Seabright  
Headphones and my bike  
Surf stacked up for miles  
Monarch butterflies  
Sunlight and nasturtiums  
Across the town I ride  
Smell of sand and sea spray  
Perfect day and I'm alright
