

New Americana

Halsey

Cigarettes and tiny liquor bottles
Just what you'd expect inside her new Balenciaga
Viral romance, turned dreams into an empire
Self-made success, now she rolls with Rockafellas

Survival of the richest, the city's ours until the fall
They're Monaco and Hamptons bound
But we don't feel like outsiders at all

We are the new Americana
High on legal marijuana
Raised on Biggie and Nirvana
We are the new Americana

Young James Dean, some say he looks just like his father
But he could never love somebody's daughter
Football team loved more than just the game
So he vowed to be his husband at the altar

Survival of the richest, the city's ours until the fall
They're Monaco and Hamptons bound
But we don't feel like outsiders at all

We are the new Americana
High on legal marijuana
Raised on Biggie and Nirvana
We are the new Americana

We know very well who we are
So we hold it down when summer starts
What kind of dough have you been spending?
What kind of bubblegum have you been blowing lately?

We are the new Americana
High on legal marijuana
Raised on Biggie and Nirvana
We are the new Americana

We are the new Americana (we know very well)
High on legal marijuana (who we are)
Raised on Biggie and Nirvana (so we hold it down)
We are the new Americana
