Been 'bout ten long years still come flawless
The lawless warrior William Wallace
Rappin' 'till I get a million dollars
Like home girl strippin still in college
Trying to get paper'd up
Please huh believe I help her breathe like vapo-rub
Rock the mic in your favorite club
Rock flavors like haters might step on the the gators right? shit...
From the bay to decatur the mic motivator hold a mic like yoda hold a saber
You know the flavor watch your behaviors
Cool I'm off to Handsome Boy Modelling School
And best believe I got a locker full of Vodka and Backwoods
I can play the doctor and start writing prescription
If you fighting addictions I'm right in the distance
My music enlightens who listens check it out
