

# Blue Eyes Crying In The Rain

Hank Locklin

In the twilight glow I see her blue eyes crying in the rain  
As we kissed goodbye and parted I knew we'd never meet again  
Love is like a dying ember only memories remain  
Through the ages I'll remember blue eyes crying in the rain

Now my hair has turned to silver all my life I've loved in vain  
I can see her star in heaven blue eyes crying in the rain  
Some day when we meet up yonder we'll stroll hand in hand again  
In a land that knows no parting blue eyes crying in the rain
