

Honey Song (honey I'm In Love With You)

Hank Locklin

Honey, I'm in love with you
I love everything you do
Sure as one and one makes two
Honey I'm in love with you

Honey let me hold your hand
Let me tell you that it's grand
Maybe then you'll under-stand

Honey I'm in love with you
I'm forever building dreams
Round your pretty head it seems
But their only empty dreams
Till you say that you love me too

I would walk a million miles
If I could take along your smiles
They would all be happy miles
Cause honey I'm in love with you
