

You Win Again

Hank Locklin

The news is out all over town that you've been seen a runnin' r
ound

I know that I should leave but then I just can't go you win aga
in

This heart of mine could never see what everybody knew but me
Just trusting you was my great sin what can I do you win again

I'm sorry for your victim now cause soon his head like mine wil
l bow

He'll give his heart but all in vain and someday say you win ag
ain

You have no heart you have no shame you take true love and give
the blame

I guess that I should not complain I love you still you win aga
in
