Down The Trail Of Achin' Hearts

Hank Snow

Down the trail of achin' hearts where nobody's hidin' their tears

You sent me there where sadness starts down the trail of achin' hearts

You told me I was your darling you kept me hanging around Somebody else is your darling now lonesome and blue I'll be found

Down the trail...

Once I was passing your window under the light of a star Somebody else played my love song and played it on my old guita $\ensuremath{\mathtt{r}}$

Down the trail...
