

# I'm Afraid I Lied

**Hank Thompson**

I know I told you I could take it if you had to tell me goodbye  
But you're leavin' and I don't think I can make it forgive me b  
ut I'm afraid I lied  
I am thankful for each stolen moment and I promised that I woul  
dn't cry  
But you're leavin' and there goes my promise forgive me but I'm  
afraid I lied  
We both knew it couldn't work out but we just had to try it bot  
h sides  
We said anytime we could stop it well baby you can but but I'm  
afraid I lied I lied
