

# That's All There Is To That

Hank Thompson

Did you ever watch the one you love  
Slowly drifting away from you  
And you know deep in your heart  
There is nothing that you can do

To make her stay  
(To make her stay)  
To turn the tide  
(To turn the tide)

To ease the pain  
(To ease the pain)  
That you feel down inside?

When her eyes, say it's over and done  
Then you simply must face the fact  
So you leave and think it over  
But you come hurrying back  
Hoping she'll change her mind

Praying she'll take you back  
But like the lady said  
"That's all there is to that"  
(When her eyes, say it's over and done)  
(Then you simply must face the fact)  
So you leave and think it over

But you come hurrying back  
Hoping she'll change her mind  
Praying she'll take you back  
But like the lady said  
"That's all there is to that"
