

Can't You See

Hank Williams Jr.

Well I'm gonna take a freight train down at the station Lord
And I don't care where it goes
Gonna climb a mountain the highest mountain jump off nobody gonna know
Can't you see oh can't you see what that woman Lord she's been doin' to me
Can't you see can't you see what that woman's been doin' to me

I'm gonna find me a hole in the wall I'm gonna crawl inside and die
Cause my lady now I mean old woman Lord she never told me goodbye
Can't you see...
[guitar]
Gonna buy me a ticket now as far as I can I ain't never coming back
Ride me a southbound all the way down to Alabam till that train is a runnin' a track
Can't you see...
Can't you see...
