

I'm Tired

Hank Williams Jr.

All I want is a pickup truck with a gun rack
Baby wants a car phone and a Cadillac
I'm workin' three jobs and still we mortgage the house
All I need is a front porch and a coon hound
Baby wants a penthouse facing downtown
My buddies look at me and say Are you a man or a mouse

I'm tired I'm so tired
Tired of ya spendin' every dollar for I got it made
I'm tired so damn tired
Tired of the way you're leanin' on me
Tryin' to make me be something I can't be
Wish there was a way to make you see
I'm tired

All I need is my Levis and a tee shirt
Baby wants a mink coat and a silk skirt
This workin' and slavin' boys it'll be the death of me
All I need is a rod and line and a fishin' hole
Baby wants a plane ride to Montego
That's woman gets to thinkin' I'm her ever lovin' money tree

I'm tired I'm so tired...
I'm tired I'm so tired...
