

If You Wanna Get to Heaven

Hank Williams Jr.

I never read it in a book I never saw it in a show
But I heard it in the country on my pickup radio
If you want a drink of water you've got to get it from a well
If you wanna get to heaven you gotta raise a little raise a little hell

I never felt it in my feet I never felt it in my soul
I've been called country I've been called rock and roll
If you want to know a secret you've got to promise not to tell
If you wanna get to heaven you gotta raise a little raise a little hell
Raise a little hell

I never thought it'd be so easy never thought it'd be this fun
I heard it in the country now I've got 'em on the run
If you want to see an angel you better find her where she fell
If you wanna get to heaven you gotta raise a little raise a little hell

If you wanna get to heaven you gotta raise a little raise a little hell
You gotta raise a little hell
Oh if you wanna get to heaven you gotta raise a little hell
