

Made in the Shade

Hank Williams Jr.

Well when the show's over me and the boys get together
We like to get in the back of the bus and play music
Just like this here

When I look in your face baby when I look in your eyes
I can tell pretty momma I've been wasting my time
'Cause you don't really love me
You just want me for what I am
But you best treat me right woman
You just might lose your money man

Well when I first met you babe you was a red light girl
But I tried to take you to a better world
'Cause you would not listen
Still you think I am a fool
Well you had it made in the shade sugar
Don't let that tree fall down on you

Well I work for the railroad each and every day
Well I work real hard tryin' to make my pay
Lord I never tell you
What you supposed to do
Well you had it made in the shade baby
Don't let that tree fall down on you

Well you had it made in the shade sugar
Don't let that tree fall down on you
