

The Air That I Breathe

Hank Williams Jr.

If I could make a wish, I think I'd pass
Can't think of anything I need
No cigarettes, no sleep, no light, no sound
Nothing to eat, no books to read

Making love with you has left me peaceful, warm and tired
What more could I ask, there's nothing left to be desired
Peace came upon me and it leaves me weak
So sleep, silent angel, go to sleep

Sometimes all I need is the air
That I breathe and to love you
All I need is the air that I breathe, and just to love you
All I need is the air that I breathe

Peace came upon me and it leaves me weak
So just sleep, hey baby, let's just sleep

Sometimes all I need is the air
That I breathe and to love you
All I need is the air that I breathe, and just to love you
All I need is the air that I breathe

Sometimes all I need is the air
That I breathe and just to love you
All I need is the air that I breathe, and just to love you
All I need is the air that I breathe...
