

## What You Don't Know (Won't Hurt You)

Hank Williams Jr.

now things aint changed in alabama or washington dc  
special interest groups take care of each other and i take care  
of me  
try to keep a low profile sometimes thats hard to do  
especially when you know that uncle same is watching you

they checked your charger card and its getting hard to do anyth  
ing they dont know about  
they learned your habits you had corn beef and cabbage last nig  
ht at your girlfriends house  
and when we went upstairs i wondered as we walked up in her roo  
m  
is this place bugged do you think my love they know all the thi  
ngs we do?

what you dont know what hurt you  
what you cant see cant bite  
what you dont hear will never make you mad  
so dont go looking for me tonight

you got the watergate man and whoops iran sure caused a whole l  
otta fuss  
poor martin luther j edgar hoovers gun made another liar  
gary hart jim baker things are tough all over  
you better not kiss no other woman unless shes your grandmother  
can you imagine somebody wathching everything you do  
this is the usa where people get paid to watch people that are  
watching you

ah yes we have insider trading and computer dating but i never  
aint goin for that  
aint no machine pickin out my cling cause it may not have all t  
he facts  
ive got my own taste and my own ways id rather not talk about  
and my private life is my private life and they aint gonna find  
out

what you dont know wont hurt you  
what you cant see cant bite  
what you dont hear will never make you mad  
so why go lookin for me tonight
