

Battle Cries

Hanker

The sign of the Cross
I look high in the skies
Oh! Lord Amen!
The sigh of the loss
I aim straight in the eyes
Seeing the end

Special:
I run and I sweat and I cry
Am I going insane?

So much blood! Am I lost?
And I fear my mind
Won't go to heaven
My heart leaps and I toss my head
Seeing the eyes of the raven

Bridge I:
Will I have to pay?
Will I find a way?

Chorus I:
Take me far away
Take me home today
Take me home!
Take me home!
'Cause I can hear no more battle cries!
Battle cries!

Special II:
Take me home, I'm so alone
Take me home, it ain't my own
Take me home, we're all alone
Take me home, to face my own
Take me home!

The sign of the Cross
He looks deep in my eyes
Amen!
Lost of blood at great cost
And I fear they won't be there in heaven

Bridge II:
Will I have to pay?
Won't you show me the way?

Chorus II:
Take me far away
Take me home today
Take me home!
Take me home!
'Cause I can hear no more battle cries
Battle cries!
Battle cries!
