

# Castaway

Hanker

Striving to get your head out of the sea  
In the hope you reach the shore  
You feel so sore!

Trying in vain to be heard to be seen  
But there is no one on board  
It's no use to roar!

Bridge:  
Castaway  
I feel you no more  
You left me away  
On the shore!

Chorus:  
Liar!  
You lied! Liar!

Repeat Bridge

Chorus II:  
Liar!  
You'll die! Liar!

Liar!  
Liar!  
Liar!
