

# Ruins Of Generations

Hanker

We have been hiding in our mind, Oh! My...  
We have sinned thinking we were right  
We have been trashing all mankind, Oh! My...  
We have lived swearing things were fine

Bridge:  
Lucky me! I'm alive!  
Can it be the world's crime?

Chorus:  
Sin after sin  
We burn!  
Sin after sin  
We burn!

They have been hiding truthful lines, Oh! My...  
They have lived thinking we were blind  
They have been smashing useful minds, Oh! My...  
They have been swearing it was time

Repeat Bridge

Repeat Chorus

Special I:  
It burns! We've let it burn!

Special II:  
This is our land!

Repeat Bridge

Final Chorus:  
Sin after sin  
We burn!  
Sin after sin  
We burn!  
Sin after sin  
We burn  
Sin after sin  
We burn!  
We burn!
