

# Invisible

Hannah DiAmond

When I saw you with her  
When I saw you kissing her  
I can't get that picture out of my mind  
When I am around you  
I could be invisible  
Do you wish I wasn't even there, sometimes?

See right through, what you do  
Deep down, I know she's with you and so

I'll just be on my own  
Tonight, on my own  
Tonight, on my own  
Tonight, and so  
I'll just be on my own  
Tonight, on my own

So invisible  
Am I invisible?  
Am I invisible?  
Am I invisible?

I'd go out and party  
But I'm scared of what I'll see  
So I'll stay home tonight  
And every night  
I wanted to tell you  
But I couldn't make a sound  
Maybe if you heard me  
You'd see me now

See right through, what you do  
Deep down I know she's with you and so

I'll just be on my own  
Tonight, on my own  
Tonight, on my own  
Tonight, and so  
I'll just be on my own  
Tonight, on my own

So invisible  
Am I invisible?

You don't know that I'm here  
On my own  
I was born on my own  
And I'll dance on my own  
No, no, no  
You don't know that I'm here  
On my own  
I was born on my own  
And I'll dance on my own  
No, no, no

I'll just be on my own  
Tonight, on my own

Tonight, on my own  
Tonight, and so  
I'll just be on my own  
Tonight, on my own  
Tonight, on my own  
Tonight, and so  
I'll just be on my own  
Tonight, on my own

So invisible  
Am I invisible?  
Am I invisible?
