

# I Learned from You

Hannah Montana

Ooh, yeah

I didn't wanna listen to what you were sayin'  
I thought that I knew all I need to know  
I didn't realize that somewhere inside me  
I knew you were right but I couldn't say so

And I can take care of myself  
Yeah, you taught me well

I learned from you that I do not crumble  
I learned that strength is something you choose  
All of the reasons to keep on believin'  
There's no question, that's a lesson, that I learned from you

We always don't agree on what is the best way  
To get to the place that we're going from here  
But I can really trust you, and give you the distance  
To make your decisions without any fear

I'm grateful for all of the times  
You opened my eyes

I learned from you that I do not crumble  
I learned that strength is something you choose  
All of the reasons to keep on believin'  
There's no question, that's a lesson, I learned from you

You taught me to stand on my own  
And I thank you for that  
You saved me and made me

And now that I'm looking back  
I can say

Yeah

I learned from you that I do not crumble  
I learned that strength is something you choose  
All of the reasons to keep on believin'  
There's no question, that's a lesson, I learned from you

I learned from you, I learned from you  
I learned that strength is something you choose  
All of the reasons to keep on believin'  
There's no question, that's a lesson that I learned from you  
Yeah, yeah, I learned from you
