

# A Day Late, A Dollar Short

Hanoi Rocks

Late at night as I lay down to sleep  
I think of all the secrets people keep  
Like how I feel for you  
Do you feel it too  
Or is it something we have to resume

We're just two people watching time fly by  
In a world in its obvious decline  
But we are young and strong  
We can carry on  
Find a little paradise of our own

'Cause no one saves the day  
It's no one else's fault  
If you're a day late or a dollar short

Just think about how lovely life could be  
Excluding all the man-made misery  
If we're too far behind  
And really out of time  
Is there another world they plan to find?

Too many dreams of youth  
That we never caught  
Just a day late or a dollar short

We're all just lonely people  
Only dyin' to fall in love

Feelings that we thought  
Dreams we never caught  
Just a day late or a dollar short

The loneliness, the blues  
Feeling so distraught  
When you're a day late or a dollar short

Too many dreams of youth  
That we never caught  
Just a day late or a dollar short

And no one saves the day  
It's no one else's fault  
When you're a day late or a dollar short
