

Well I can do tricks,I can  
I'm the dog with two dicks,I'am  
Why don't you climb into a tree  
I have a little problem with heights you see  
I'm looking good,I'am  
You know that I could,with the radio on  
Let me push,push come on  
Push,push come on  
Sometimes it's good  
Sometimes it's bad  
And sometimes you're happy  
Sometimes you're mad  
Cause sometimes it's good  
Sometimes it's bad  
And sometimes you're happy  
Sometimes you're mad  
I'm looking good,kin can  
You know that I'm good,'Slim Plan'  
Let me push,push come on  
Let me push,push come on,yeah!  
Sometimes it's good  
Sometimes it's bad  
And sometimes I'm happy  
Sometimes I'm mad  
'Cause sometimes it's good  
Sometimes it's bad  
And sometimes I'm happy  
Sometimes you're mad  
Drink 'til your dead  
You've got to be fed  
Until you're dead  
Go to it's head  
'Til ya dead  
Go to it's head  
Cause sometimes it's good  
Sometimes it's bad  
And sometimes you're happy  
Sometimes you're mad  
Cause sometimes it's good  
Sometimes it's bad  
And sometimes I'm happy  
Sometimes you're mad
