

# Can't Let Go

Happy Rhodes

Do you understand this, 'cause I don't  
People either leave you  
Or they fail you  
That's all

There may be a different truth to be told  
But I can't let go  
Of my old place  
I can't let go  
Of my old face  
Of my old things  
I can't let go

Can you comprehend how I could feel  
That I was never worthy of good things or love  
You know it disappoints me  
That I see everything  
Through all of these layers of colorless film  
There might be a rainbow  
A spectrum in my periphery  
There must be a nicer  
thought to believe

But it's hard to let go  
Of my old place  
I can't let go  
Of my old face  
Of my old things  
I can't let go

There's a very old mirror  
That I like to look into  
It always shows me the old familiar face  
I loathe so well and  
When I look back it looks back too oh  
Oh you'll never know how hard it is to let go

Do you understand this 'cause I don't  
The very thing that saved me will kill me  
That's all  
And everyone will shake their heads and say  
"How sad"

That I couldn't let go  
Of my old place  
I couldn't let go  
Of my old face  
Of my old things  
I can't let go

I couldn't let go  
Of my old place  
Can't let go  
Of my old face  
Of my old things  
I can't let go

I can't let go

Can't let go
