

## In Hiding

Happy Rhodes

I ask you  
    Now tell the truth  
I ask you  
    Was it worth the price you paid?  
If so...  
I know you loved me  
    Darling  
But I need to know  
    Did you mean to hurt me so?  
If so...  
    Go away way very far away, take your leave  
    I'll never hate you, I'll never think of you  
    And I'll never grieve  
Did you want it all?  
    Free love  
Did it satisfy?  
    Was it your intentions to deceive?  
If so...  
You made me happy  
    You made me cry  
You gave me hope  
    Was my happiness a lie?  
If so...  
    Go away way very far away, take your leave  
    I'll never hate you, I'll never think of you  
    And I'll never grieve  
        I'll never grieve the loss  
I ask you  
    Now tell the truth  
I ask you  
    Was it worth the price you paid?  
If so...
