

## Winter

Happy Rhodes

How does my sorrow find me here?  
I have lived  
I have loved  
Enough for all my time

And how stealthily  
You come to me  
I have loved  
I have lost

Now all that remains  
Is which one to  
Champion  
(My)  
Soul?...

(From you I hide, by and by)  
(From you I hide, by and by)

So how does my sorrow find me now?  
Am I changed?  
Have I loved?...
