Right Here, Right Now

Hardcore Superstar

Well people talk about me And I don't understand What the hell can I do When I'm just the perfect man I'm just riding my big, black limo Like I'm supposed to do I'm a fast-shooting star that aiming more than far

Say what you want I live my life right here, right now (2x)

You can call me creep Call me anything you want I always put my life in the centre of the world I'm just riding my big black limo Like I'm supposed to do I'm a fast-shooting star that aiming more than far

Say what you want I live my life right here, right now (6x)
