

# We Don't Celebrate Sundays

Hardcore Superstar

Come, smash up your seats tonight  
Sippin' on wine  
I'm fine  
The music keeps me up all night  
Cause I'm full of lust  
Come with us  
Run for your lives

I'm only lonely when the music's over  
Lonely when you're going home

[Chorus:]  
We don't celebrate Sundays anymore  
(we don't celebrate Sundays)  
My good church is not open on Sundays  
(we don't celebrate Sundays)

Touched, touched by that amazing sound  
My blood begins to boil  
A celebration to the night  
Cause I'm full of lust  
Come with us  
Let's spend the night

There's no, no religion in my house  
No thick people in my house

[Chorus:]  
We don't celebrate...

We don't celebrate Sundays anymore

[Churos:]  
We don't celebrate...

Come, smash up your seats tonight  
(we don't celebrate Sundays)  
I said come, celebration to the night  
(we don't celebrate Sundays)  
I said come, smash up your seats tonight  
(we don't celebrate Sundays)  
I said come, celebration to the night  
(we don't celebrate Sundays)

(we don't celebrate Sundays)
