

# Arcadia

Hardwell

Falling like dominoes  
Reaching for the stars, one by one  
Hands illuminate the sky  
Goes on, and on, and on

Let me take you, all the way  
I'll guide you through the night  
Come shine your light, a little brighter  
Set your fire, afraid inside

Are you ready? Await it  
Come in way, enjoy the ride  
I'll take you, all the way  
Find the answer, in Arcadia
