

# Being Alive

Hardwell

These are the days we'll remember all of our lives  
Moments of magic under the cinema in the sky  
And the reflections in your eyes are painted like the sunrise  
These are the days we'll remember all of our lives

Being alive, alive  
Being alive, ooh-woah, ooh-woah  
Being alive

These are the days we'll remember all of our lives  
Moments of magic under the cinema in the sky  
And the reflections in your eyes are painted like the sunrise  
These are the days we'll remember all of our lives

Being alive, alive  
Being alive, ooh-woah, ooh-woah  
Being alive
