

# Chase The Sun

Hardwell

I just wanna chase the sun  
Forget everything I've become  
Let go off all this chains and run  
Yeah, I just wanna chase the sun

Chase the sun

Hold on I can feel it getting closer  
Hold on can you feel it coming, oh!  
Hold on cause I feel it coming over  
Hold on I can feel it

I just wanna chase the sun  
Forget everything I've become  
Let go off all this chains and run  
Yeah, I just wanna chase the sun

Chase the sun

I just wanna chase the sun  
Forget everything I've become  
Let go off all this chains and run  
Yeah, I just wanna chase the sun
