

How You Love Me

Hardwell

Big Snoop Dogg
My nephew Hardwell on the beat
Give it to me

I wanna wake up now
And see you there when I turn 'round
I wanna see you smile
When you look back, d'you still feel it now?
I wanna work this out
But I'll admit that I don't know how
Wait up now
Wait up now, 'cause

I love how you love me
I love how you love me
Every time you love me so right
You treat me so right
You do me so right now

Ooh, I love how you love me

I love how you love me
Love me, love me, love me, love me, love me
I love how you love me
Huh, I love how you love me

Do you think of me
When you lay in bed alone?
Do you think that we
We're always meant to let it go?
Don't wanna fall asleep
'Cause in my dreams you're still with me, oh
Wake up now
Wake up now, 'cause

Oh, I love how you love me
(Love me) I love how you love me
Every time you love me so right
You treat me so right
You do me so right now

Ooh, I love how you love me

I love how you love me
Love me, love me, love me, love me, love me
I love how you love me
Huh, I love how you love me

Easy on the eyes
Dressed to impress
Nonetheless, I guess you can say I'm the best
So you can see why she my P.Y.T.
She in love with the one D.O. double-G
SN, just in the nick of time
Champagne with a twist of lime
Just in time
Celebrate, raise your glass and blaze your blunts

And keep givin' me whatever I want

I love how you're lovin' me
Kissin' and huggin' me
You where I wanna be
I don't want no company
As long as you comfort me
And stay with me, come with me
But do it abundantly
Yes, you got a G with you
And I made plans just to be with you
No wishin' well
Five-star hotel
All kiss, no tell
Now sing, Hardwell

Ooh (Yeah, yeah)
I love how you love me (Hey, hey, I'd love you to love me)
I love how you love me
Every time you love me so right
You treat me so right
You do me so right now

Ooh, I love how you love me

I love how you love me
Love me, love me, love me, love me, love me
Love how you love me, girl
Love how you love me, girl
Love how you love me, girl
Hmm, I love how you love me
