

No Place like Hometown

Hardy

I've hung my hat on another front porch
Crossed a few county lines
Fished some rivers I can't pronounce
And I've seen the winter in the summertime
{But when I get to missin' my roots
Sittin' somewhere west of wherever
You can find me tappin' these Red Wing boots together}

'Cause there ain't no place like hometown
There ain't a red dirt chert gravel backroad I'd rather drive down
Yeah, I've been everywhere from there to Timbuk
Put a lot of country miles on my truck
But there ain't no place like hometown, yeah

Every county's got a courthouse
Hell, every state's got a Decatur
There's an accent in everyone's mouth
There's a ball team in every paper
{And everybody's been proud of where they come from
Everybody loves their own version of po-dunk
Talkin' Akron to Athens to Jackson, Mississippi
I've got you, raise your cup up and sing it with me}

There ain't no place like hometown
There ain't a red dirt chert gravel backroad I'd rather drive down
Now, I've been everywhere from there to Timbuk
Put a lot of country miles on my truck
But there ain't no place like hometown, yeah (Woo)

Ain't no place like hometown
Ain't no place like slow down
Ain't no place
Ain't no place
Ain't no place like hometown
Ain't no way, ain't no how
Ain't no place (No place)
Ain't no place {Ain't no place}

There ain't no place like hometown
There ain't a red dirt chert gravel backroad I'd rather drive down
Yeah, I've been everywhere from there to Timbuk
Put a lot of country miles on my truck
There ain't no place like hometown (yeah)

Ain't no place like hometown
Ain't no place like slow down
Ain't no place (There ain't no place)
Ain't no place (Yeah, there ain't no place, yeah, alright)
There ain't no place like hometown
Ain't no way, ain't no how
Ain't no place {Ain't no place}
Ain't no place {There ain't no place}

Ain't no place like hometown
Ain't no place like hometown
Ain't no place
Ain't no place
