I'm Beginning To See The Light

Harry James

I never cared much for moonlit skies
I never wink back at fireflies
But now that the stars are in your eyes
I'm beginning to see the light

I never went in for afterglow
Or candlelight on the mistletoe
But now when you turn the lamp down low
I'm beginning to see the light

Used to ramble through the park Shadowboxing in the dark Then you came and caused a spark That's a four-alarm fire now

I never made love by lantern-shine
I never saw rainbows in my wine
But now that your lips are burning mine
I'm beginning to see the light
