

I've Heard That Song Before

Harry James

It seems to me I've heard that song before
It's from an old familiar score
I know it well, that melody
It's funny how a theme recalls a favorite dream
A dream that brought you so close to me

I know each word because I've heard that song before
The lyrics said "Forever more"
Forever more's a memory
Please have them play it again
And I'll remember just when
I heard that lovely song before
