I'v Heard That Song Before

Harry James

It seems to me I've heard that song before It's from an old familiar score I know it well, that melody It's funny how a theme recalls a favorite dream A dream that brought you so close to me

I know each word because I've heard that song before The lyrics said "Forever more" Forever more's a memory Please have them play it again And I'll remember just when I heard that lovely song before
