

Oh! But I Do

Harry James

You think I don't love you,
Oh, but I do!
How can I show that I do?
You think I don't get blue,
Oh, but I do!
Though I get light hearted too.
First Im singing then Im sighing
Then Im flying high above.
You think I don't know why,
Oh, but I do!
I know that it's you I love.
