

Best Move

Harry Nilsson

You've just made the best move that you've ever made.
Ever made
Ever made
You've just made the best move that you've ever made.
Ever made

How can it take so long
Its just another song
Doo doo doo doo doo la la la la doo doo doo... [etc.]
La la la, la la, la la la, la la yeah yeah yeah
Hey hey hey
You've just made the best move that you've ever made.
Ever made

You just made the biggest glass of lemonade

Don't forget the Wesson oil and mayonnaise
Just in case I love you
This is the end
This is the end
This is the fade
This is the end

There goes my main [?]
This could be the best fade that you ever played
Ever played

Say it
Would you mind undressing while I serenade?
Serenade

Ay ah ay ah
Ay ah ay ah
