

# Don't Forget Me

Harry Nilsson

In the winter time, keep your feet warm  
But keep your clothes on and don't forget me  
Keep your memories  
But keep your powder dry, too

In the summer, by the poolside  
While the fireflies are all around you  
I'll miss you when I'm lonely  
I'll miss the alimony, too

Don't forget me, don't forget me  
Make it easy only just for a little while  
You know I think about you  
Let me know you think about me, too

And when we're older and full of cancer  
It doesn't matter now, come on get happy  
'Cause nothing lasts forever  
But I will always love you

Don't forget me, please don't forget me  
Make it easy only just for a little while  
You know I think about you  
Let me know you think about me, too
