

Good Times

Harry Nilsson

Well there's a good time comin' on
I can feel it in my bones
I said a good time comin' on
I can tell it won't be long
'Til there's dancin' in the streets again
And music in the air
There'll be people wantin' people, yeah yeah
Laughter everywhere

There gonna be parties after sundown, huh
Well, everywhere you go
There'll be hand-squeezin', ear-pleasin'
Music on the radio
And I know that you wanna be there
'Cause were gonna have a wonderful time
We're gonna jump to the left, right
Tear down, rip it up
Startin' at the county line

(Good times, good times)
(Good times, good times)
(Good times, good times)

There gonna be parties after sundown, huh
Well, everywhere you go
There'll be hand-squeezin', ear-pleasin'
Music on the radio
And I know that you wanna be there
'Cause were gonna have a wonderful time
We're gonna jump to the left, right
Tear down, rip it up
Startin' at the county line

(Good times)
There's a good time comin' on (Good times)
Woah, good time comin' (Good times)
There's a good time comin' on (Good times)
Oh (Good times)...
