

Living Without You

Harry Nilsson

The milk truck hauls the sun up, the paper hits the door
The subway shakes my floor and I think about you
Time to face the dawning gray of another lonely day
It's so hard living without you.

It's so hard, it's so hard
It's so hard living without you.

Everyone's got something, they're trying to get some more
They got something to get up for but I ain't about to
Nothin's gonna happen, nothin's gonna change
It's so hard living without you.

It's so hard, it's so hard
It's so hard living without you.

It's so hard, it's so hard
So hard.
