Over the Rainbow

Harry Nilsson

Somewhere over the rainbow way up high There's a land that I heard of once in a lullaby Somewhere over the rainbow skies are blue And the dreams that you dare to dream Really do come true

Someday I'll wish upon a star

And wake up where the clouds are far behind me

Where troubles melt like lemon drops

Away above the chimney tops

That's where you'll find me

Over the rainbow bluebirds fly Birds fly over the rainbow, why then oh, why can't I? If happy little bluebirds fly beyond the rainbow Why, oh why can't I?
