

Nobody Knows

Harry Styles

Nobody knows
Nobody knows but me
That I sometimes cry
If I could pretend that I'm asleep
When my tears start to fall
I peek out from behind these walls
I think nobody knows
Nobody knows no
Baby
Oh the secret's safe with me
There's nowhere else in the world that I could ever be
And baby don't it feel like I'm all alone
Who's gonna be there after the last angel has flown
And I've lost my way back home
I think nobody knows no
I said nobody knows
Nobody cares
Baby
Oh the secret's safe with me
There's nowhere else in the world that I could ever be
And baby don't it feel like I'm all alone
Who's gonna be there after the last angel has flown
And I've lost my way back home
I think nobody knows no
