

# Sign of the Times

Harry Styles

Just stop your crying  
It's a sign of the times  
Welcome to the final show  
Hope you're wearing your best clothes

You can't bribe the door on your way to the sky  
You look pretty good down here  
But you ain't really good

We never learn, we've been here before  
Why are we always stuck and running from  
The bullets, the bullets?  
We never learn, we've been here before  
Why are we always stuck and running from  
Your bullets, the bullets?

Just stop your crying  
It's a sign of the times  
We gotta get away from here  
We gotta get away from here  
Just stop your crying  
It'll be alright  
They told me that the end is near  
We gotta get away from here

Just stop your crying  
Have the time of your life  
Breaking through the atmosphere  
And things are pretty good from here

Remember, everything will be alright  
We can meet again somewhere  
Somewhere far away from here

We never learn, we've been here before  
Why are we always stuck and running from  
The bullets, the bullets?  
We never learn, we've been here before  
Why are we always stuck and running from  
The bullets, the bullets?

Just stop your crying  
It's a sign of the times  
We gotta get away from here  
We gotta get away from here  
Stop your crying  
Baby, it'll be alright  
They told me that the end is near  
We gotta get away from here

We never learn, we've been here before  
Why are we always stuck and running from  
The bullets, the bullets?  
We never learn, we've been here before  
Why are we always stuck and running from  
Your bullets, the bullets?

We don't talk enough  
We should open up  
Before it's all too much  
Will we ever learn?  
We've been here before  
It's just what we know

Stop your crying, baby  
It's a sign of the times  
We gotta get away  
We got to get away  
We got to get away  
We got to get away  
We got to get away  
We got to—we got to—away  
We got to—we got to—away  
We got to—we got to—away
