

## Mesmerized

Hate

I watch the bright crimson drops  
Hit the sink  
I watch the bright crimson drops  
Against white backgrounds  
The pain lasts a while  
But then turns to joy  
It lasts forever  
And then turns to death

Mesmerized with the sight of blood!  
Soulless ritual  
Over funeral sky  
Mesmerized with the sight of blood  
Soulless ritual  
Mesmerized  
Mesmerized

It is the way I release inner pain  
No one can do me worse than I can do me  
Sticky blade saws through my skin and veins  
The lies. The Hurt. The shame.  
Leaving me going down  
The drain

Mesmerized with the sight of blood  
Soulless ritual  
Over funeral sky  
Mesmerized with the sight of blood!  
Mesmerized!
